

Change log for Coordination of NJDEP and USEPA PCB Remediation Policies

List of significant changes from Version 1.0 (July 2020) to Version 1.1 (September 2023)

Header: changed "Updated" date

Added footer with document name, version number, date, and page numbers.

Updated link to capping guidance on page 2.

Changed all SRWMP to CSRR

Changed PCB Coordinator contact from Steve Ferriera to Andy Park, also updated email address and phone number.

Changed all instances of "EPA" to "USEPA" to make document consistent.
