

<p style="text-align: center;"><b>Contaminated Site Remediation &amp; Redevelopment (CSRR)</b> <b>Remedial Action Permit (RAP) Application and Remedial Action Report (RAR)</b> <b>Submittal Frequently Asked Questions (FAQs) and Flow Charts Training</b></p>
---

### Acronym list

AOC – Area of Concern

ARS – Alternate Remediation Standards

BCAIN – Bureau of Case Assignment and Initial Notice

BIR – Bureau of Inspection and Review

BRAP – Bureau of Remedial Action Permitting

BTEX - Benzene, Toluene, Ethylbenzene and Xylenes

CEA – Classification Exception Area

COC – Contaminants of Concern

CSRR – Contaminated Site Remediation and Redevelopment (formerly SRP – Site Remediation Program)

DN – Deed Notice

ECCC – Effective Collaborative Communications Committee

EFR – Enhanced Fluid Recovery

EPH – Extractable Petroleum Hydrocarbons

FA – Financial Assurance

FAQ – Frequently Asked Questions

GIS – Geographic Information Systems

GW – Ground Water

IEC – Immediate Environmental Concern

ISRA – Industrial Site Recovery Act

LSRP – Licensed Site Remediation Professional

MGW – Migration to Groundwater

MLE – Multiple Lines of Evidence

MNA – Monitored Natural Attenuation

NOI – Notice of Incomplete

NTD – Notice of Technical Deficiencies

NJDEP – New Jersey Department of Environmental Protection

NJEMS – New Jersey Environmental Management System

PCE – Tetrachloroethylene

PI – Program Interest

PRCR – Person Responsible for Conducting Remediation

RE – Receptor Evaluation

RA – Remedial Action

RAO – Remedial Action Outcome

RAP – Remedial Action Permit

RAR – Remedial Action Report

RAWP – Remedial Action Work Plan

RCR – Remediation Cost Review

RI – Remedial Investigation

RFS – Remedial Funding Source

RIR – Remedial Investigation Report

SI – Site Investigation

SPLP – Synthetic Precipitation Leaching Procedure

SRIN – Site Remediation Industry Network

SRP – Site Remediation Program

SRRA – Site Remediation and Reform Act

TI – Technical Impracticability

UST – Underground Storage Tank

VC – Vapor Concern

VI – Vapor Intrusion

WRA – Well Restriction Area
