Dear Mr. Broslawski,

On behalf of the Friends of Historic Zabriskie Schedler House Inc., a 501(c)(3) nonprofit organization based in Ridgewood, New Jersey, we are writing to formally express our intent to apply for a Technical Assistance Grant (TAG) through the Contaminated Site Remediation & Redevelopment Program under the New Jersey Department of Environmental Protection.

Our organization secured a proposal from an outside Licensed Site Remediation Professionals (LSRP) to assist in reviewing and interpreting environmental reports related to the Schedler Property, located at 460 West Saddle River Road, Ridgewood, NJ. The selected LSRP will play a key role in helping residents and stakeholders better understand environmental conditions and the progress of remediation efforts at the site.

Enclosed are signatures from members of the community in support of our application. We will be submitting the full TAG application shortly.

Thank you for your time and consideration.

Sincerely,
Eleanor Gruber
