

## **Change log for UST Questionnaire**

List of significant changes from Version 2.3 (February 2023) to Version 2.4 (September 2024)

### Section A:

1. Paragraph beginning with “Annual renewal with a billing invoice...” and Treasury address deleted.
2. Paragraph mentioned in #1 replaced with “The use of the online portal for Underground Storage Tank (UST) registration submissions pursuant to N.J.A.C. 7:14B 2.2 will become mandatory on December 2, 2024. At that time, the paperless service at [www.njdeponline.com](http://www.njdeponline.com) will become mandatory for all UST Registration submissions, including initial UST Registrations, renewals, modifications, and updates to UST Financial Assurance mechanisms. The “Underground Storage Tank (UST) Online Portal Service” (March 6, 2023) training videos and materials are available at: <https://dep.nj.gov/srp/training/>. This paper version of the Facility Certification will not be accepted after December 2, 2024.”
3. Paragraph beginning with “All Other Types of Submissions...” deleted.
4. Minor formatting and name changes.
