: INC. f/k/a GIANT YORKTOWN,  
: INC.

Defendants. :

This matter was opened to the Court by the Acting Attorney General of New Jersey, John J. Hoffman, Deputy Attorney General Gwen Farley appearing, and Leonard Z. Kaufmann, Esq. of Cohn Lifland Pearlman Herrmann & Knopf LLP, and Scott E. Kauff, Esq. of the Law Offices of John K. Dema, P.C., and Michael Axline, Esq. of Miller Axline & Sawyer, and Tyler Wren, Esq. of Berger & Montague P.C., Special Counsel to the Attorney General, appearing, as attorneys for plaintiffs New Jersey Department of Environmental Protection ("DEP" or "Department"), the Commissioner of the New Jersey Department of Environmental Protection ("Commissioner"), and the Administrator of the New Jersey Spill Compensation Fund ("Administrator") (collectively,

"the Plaintiffs"), and Clement D. Carter, Esq. of McGuireWoods LLP, appearing as attorneys for defendant Western Refining Yorktown, Inc. f/k/a Giant Yorktown Inc. ("Western"); and these Parties having amicably resolved their dispute before trial:

I. BACKGROUND

A. The Plaintiffs initiated this action on or around June 28, 2007 by filing a complaint against Western and other defendants in the Superior Court of the State of New Jersey, Mercer County, Docket MER-L-1622-07, pursuant to the Spill Compensation and Control Act, N.J.S.A. 58:10-23.11 to -23.24 ("the Spill Act"), the Water Pollution Control Act, N.J.S.A. 58:10A-1 to -20, and the common law. The matter was removed to the United States District Court for the District of New Jersey, and later assigned to the multi-district litigation in the United States District Court for the Southern District of New York, MDL No. 1358 (SAS) ("Multi-District Litigation").

B. The Plaintiffs filed amended complaints; the latest being the Fourth Amended Complaint, was filed June 19, 2012 (the "Complaint").

C. Plaintiffs, in their Complaint, seek past and future damages they have incurred and will incur as a result of alleged widespread contamination of the waters of New Jersey by methyl tertiary butyl ether ("MTBE").

D. Plaintiffs, in their Complaint, seek past and future costs they have incurred and will incur as a result of alleged widespread contamination of the waters of New Jersey by MTBE.

E. Plaintiffs, in their Complaint, seek injunctive relief concerning the remediation of MTBE discharges.

F. Western Refining Yorktown, Inc. f/k/a Giant Yorktown Inc. is a Delaware corporation with its principal place of business at 1250 West Washington Street, Suite 101, Tempe, Arizona 85281.

G. Western filed responsive pleadings in which it denied liability and asserted various defenses to the allegations contained in the Complaint.

H. Western makes the following representations to the best of its knowledge based upon materials in its possession collected after a diligent inquiry and reviewed during the course of this litigation. Western represents and avers that since May 14, 2002, Western has owned a 62,000 barrel per day of crude capacity refinery in Grafton, Virginia where it refined crude oil into products such as unleaded gasoline, diesel, liquefied petroleum gas, butane, furnace oil, petroleum coke, and sulfur until September 2010. Western has not owned, operated, leased or branded any service stations in New Jersey, nor owned or operated any underground storage tanks in New Jersey. Western has not owned or operated any pipelines and it

has not owned or operated any tankers, barges or tank trucks used to transport gasoline. Western has not transported gasoline by rail or road in New Jersey. While Western has blended MTBE into its gasoline, it has never, to the best of its knowledge formed after a diligent inquiry, blended TBA. Certain customers of Western had barges deliver products, including reformulated gasoline ("RFG") containing MTBE, to terminals in Northern New Jersey's New York Harbor complex. Western's products were not delivered directly to Delaware or regions of New Jersey outside of the New York Harbor complex. Western first sold MTBE-blended RFG to a customer who had the product delivered to a terminal in the New York Harbor complex on or about May 17, 2002. Its last sale of MTBE-blended RFG that was shipped to the New York Harbor complex was on or about August 21, 2004.

I. The Parties to this Consent Decree recognize, and this Court by entering this Consent Decree finds, that the Parties to this Consent Decree have negotiated this Consent Decree in good faith; that the implementation of this Consent Decree will allow the Parties to this Consent Decree to avoid continued, prolonged and complicated litigation; and that this Consent Decree is fair, reasonable, and in the public interest.

**THEREFORE**, with the consent of the Parties to this Consent Decree, it is hereby **ORDERED and ADJUDGED**:

**II. JURISDICTION**

1. This case was removed to the United States District Court for the District of New Jersey pursuant to 28 U.S.C. § 1446(d) and the Energy Policy Act of 2005, 42 U.S.C. § 7545, et seq., which expressly authorized the removal of legal actions related to allegations involving MTBE contamination, and then assigned to the Southern District of New York ("S.D.N.Y.") as part of the Multi-District Litigation.
2. For purposes of approving and implementing this Consent Decree, the Parties to this Consent Decree waive all objections and defenses they may have to the jurisdiction of this Court, for the purposes of this litigation only, over the Parties and this Consent Decree. The Parties shall not challenge the S.D.N.Y.'s jurisdiction to enforce this Consent Decree against the parties to this Consent Decree.

**III. PARTIES BOUND**

3. This Consent Decree applies to, and is binding upon, the Plaintiffs and only the named Settling Defendants, as defined below (each, a "Party" and collectively, the "Parties").

**IV. DEFINITIONS**

4. Unless otherwise expressly provided, terms used in this Consent Decree that are defined in the Spill Act or in the regulations promulgated under the Spill Act, shall have their statutory or regulatory meaning. Whenever the terms listed below are used in this Consent Decree, the following definitions shall apply:

"Consent Decree" shall mean this Consent Decree.

"Damages" shall mean all damages alleged in the Complaint for claims arising from discharges of MTBE into Waters of the State, as defined below, that were reported to the Department pursuant to N.J.A.C. 7:1E-5 prior to the effective date of this Consent Decree or that occurred at any of the sites identified on the list included as Appendix A to this Consent Decree, including, but not limited to:

- a. The Plaintiffs' costs of assessing injury to Waters of the State;
- b. The costs of restoring the Waters of the State contaminated with MTBE to their pre-discharge quality, which, for the purpose of the Consent Decree, shall be at or below 1 part per billion;
- c. Compensation for restoration of, the lost value of, injury to, and/or destruction of, Waters of the State;
- d. Compensation for the treatment of well water containing MTBE to its pre-discharge condition; and

e. Attorneys' fees, consultants' and experts' fees, and other litigation costs.

"Damages" do not include:

a. Compliance, during any remediation, with any statutory or regulatory requirement that is not within this definition of damages, for example, without limitation, the mitigation of freshwater wetlands as required by N.J.A.C. 7:7A; and

b. Past Cleanup and Removal Costs and Future Cleanup and Removal Costs, both as defined below.

"Day" shall mean a calendar day unless expressly stated to be a working day. "Working day" shall mean a day other than a Saturday, Sunday, or State holiday. In computing time under this Consent Decree, where the last day would fall on a Saturday, Sunday, or State holiday, time shall run until the close of business of the next working day.

"Future Cleanup and Removal Costs" shall mean all direct and indirect costs the Plaintiffs will incur on or after the effective date of this Consent Decree, including oversight costs, to remediate MTBE discharges that were reported to the Department pursuant to N.J.A.C. 7:1E-5 prior to the effective date of this Consent Decree as set forth in Paragraph 28.

"Interest" shall mean interest at the rate established by R. 4:42 of the then current edition of the New Jersey Court Rules.

"MTBE" shall mean methyl tertiary butyl ether as well as tertiary butyl alcohol ("TBA") when TBA is a degradation product of MTBE in the environment or a contaminant in gasoline containing MTBE or in neat MTBE.

"Paragraph" shall mean a portion of this Consent Decree identified by an Arabic numeral or an upper case letter.

"Past Cleanup and Removal Costs" shall mean all direct and indirect costs the Plaintiffs incurred before the effective date of this Consent Decree, including oversight costs, to remediate MTBE discharges.

"Plaintiffs" shall mean plaintiffs DEP, the Commissioner, and the Administrator, and any successor department, agency or official.

"Section" shall mean a portion of this Consent Decree identified by a roman numeral.

"Settling Defendants" shall mean defendant Western Refining Yorktown, Inc. f/k/a Giant Yorktown Inc. Settling Defendants shall also include its parent companies, subsidiary companies, successors, past and present officers, directors, and employees (each, a "Related Entity"), but only to the extent that the alleged liability of any Related Entity is based on its

status and in its capacity as a Related Entity, and not to the extent that the alleged liability of the Related Entity with respect to MTBE contamination arose independently of its status and capacity as a Related Entity of Settling Defendant.

"Waters of the State" are the ocean and its estuaries, all springs, streams and bodies of surface or ground water, whether natural or artificial, within the boundaries of the State of New Jersey or subject to its jurisdiction.

"Western's Representations" shall mean Settling Defendants' representation, based upon materials in its possession collected after a diligent inquiry and reviewed during the course of this litigation, that it is true and correct that Western: i) has owned and operated a 62,000 barrel per day of crude capacity refinery in Grafton, Virginia since May 14, 2002 where it refined crude oil into products such as unleaded gasoline, diesel, liquefied petroleum gas, butane, furnace oil, petroleum coke, and sulfur until September 2010; ii) has not owned, operated, leased or branded any service stations in New Jersey; iii) has not owned or operated any underground storage tanks in New Jersey; iv) has not owned or operated any pipelines; v) has not owned or operated any tankers, barges or tank trucks used to transport gasoline or neat MTBE; vi) has not transported gasoline by rail or road in or into New Jersey; vii) has not had any of the RFG containing

MTBE that it refined and blended delivered directly to Delaware or regions of New Jersey outside of the New York Harbor complex; viii) has sold de minimis quantities of MTBE-blended RFG to customers that have had the product delivered via barge to the New York Harbor complex in New Jersey during the limited period of May 17, 2002 to approximately August 21, 2004.

V. SETTLING DEFENDANTS' COMMITMENTS

5. (a) Within fourteen (14) days after the effective date of this Consent Decree, the Settling Defendants shall pay the Plaintiffs Two Hundred and Eighty-five Thousand Dollars (\$285,000.00). The Settling Defendants are jointly and severally liable for this payment.

(b) The Settling Defendants shall pay the amount specified in Paragraph 5(a) above by certified check made payable to "Treasurer, State of New Jersey." The Settling Defendants shall mail or otherwise deliver the payment and any payment invoice if previously received from Plaintiffs to:

VI. PLAINTIFFS' COVENANTS AND RELEASES

6. (a) In consideration of, and upon receipt of, the payment required in Section V above, and except as otherwise provided in Section VII below, the Plaintiffs covenant not to sue, or to take judicial, administrative or other action against the Settling Defendants for reimbursement of Past Cleanup and Removal Costs.

(b) In consideration of, and upon receipt of, the payment required in Section V above and Western's Representations, and except as otherwise provided in Section VII below, the Plaintiffs covenant not to sue, or to take judicial, administrative or other action against the Settling Defendants for reimbursement of Future Cleanup and Removal Costs. In the

event that Western's Representations are materially incorrect, the covenant not to sue set forth in this sub-paragraph shall not apply.

(c) Notwithstanding any other provision of this Consent Decree, in consideration of, and upon receipt of, the payment required in Section V above the Plaintiffs covenant not to sue, or to take judicial, administrative or other action against the Settling Defendants based upon Settling Defendants' liability under the (i) common law and (ii) statutory or other theories of products liability with respect to MTBE discharges into Waters of the State that occurred prior to the effective date of this Consent Decree as set forth in Paragraph 28.

7. In further consideration of, and upon the receipt of, the payment required in Section V above, and except as otherwise provided in Section VII below, the Plaintiffs fully and forever release, covenant not to sue, and agree not to otherwise take judicial, administrative or other action against the Settling Defendants for Damages.

8. The covenants and releases contained in this Section VI shall take effect upon the Plaintiffs receiving the payment that Settling Defendants are required to make pursuant to Section V above, in full, and in compliance with the terms of this Consent Decree.

9. The covenants and releases contained in this Section VI extend only to Settling Defendants and not to any other defendant, party, person or entity.

10. The covenants and releases contained in this Section VI do not pertain to any matters other than those expressly stated.

#### VII. PLAINTIFFS' RESERVATIONS

11. The Plaintiffs' willingness to settle with the Settling Defendants is subject to the Settling Defendants' compliance with all remediation requirements set forth in any applicable statute, regulation, or rule, and any agreement, order or other document, including the Site Remediation Reform Act, N.J.S.A. 58:10C-1, et seq., notwithstanding N.J.S.A. 58:10C-27(e). The Plaintiffs reserve their rights to enforce such compliance. Failure to comply with any remediation requirement may give rise to additional liability for Damages to the extent that noncompliance increases the scope or duration of injuries to Waters of the State, and the Plaintiffs expressly reserve their rights to pursue the Settling Defendants for such increased scope or duration of injuries to Waters of the State caused by Settling Defendants' noncompliance.

12. The Plaintiffs reserve, and this Consent Decree is without prejudice to, all rights against the Settling Defendants

concerning any matter not addressed in this Consent Decree, including, but not limited to, the following:

- a. claims based on a Settling Defendants' failure to satisfy any term or provision of this Consent Decree;
- b. liability arising from the Settling Defendants being in any way responsible for a hazardous substance other than MTBE that is discharged into the Waters of the State;
- c. liability for cleanup and removal costs for remediation of discharges not reported to the Department pursuant to N.J.A.C. 7:1E-5 prior to the effective date of this Consent Decree as provided in Paragraph 28;
- d. liability for any future discharge or unsatisfactory storage or containment of any hazardous substance by a Settling Defendant, other than as provided for in an administrative consent order or as otherwise ordered or approved by plaintiff DEP;
- e. criminal liability; and
- f. liability for any violation by a Settling Defendant of federal or state law that occurs after the effective date of this Consent Decree.

VIII. SETTLING DEFENDANTS' COVENANT

13. The Settling Defendants covenant not to sue or assert any claim or cause of action against the State, including any department, agency or instrumentality of the State, concerning the matters addressed in the Complaint and this Consent Decree.

14. The Settling Defendants' covenant in Paragraph 13 above does not apply where the Plaintiffs sue or take administrative action against the Settling Defendants pursuant to Section VII above.

#### IX. FINDINGS AND ADMISSIONS OF LIABILITY

15. Nothing contained in this Consent Decree shall be considered an admission by the Settling Defendants, or a finding by the Plaintiffs, of any wrongdoing or liability on the Settling Defendants' part.

#### X. EFFECT OF SETTLEMENT AND CONTRIBUTION PROTECTION

16. Nothing in this Consent Decree shall be construed to create any rights in, or grant any cause of action to, any person not a Party to this Consent Decree. The preceding sentence shall not be construed to waive or nullify any rights that any person not a signatory to this Consent Decree may have under applicable law.

17. Settling Defendants expressly reserve all rights, including any right to contribution, defenses, claims, demands, and causes of action that the Settling Defendants may have

concerning any matter, transaction, or occurrence against any person not a Party to this Consent Decree.

18. When entered, this Consent Decree will constitute a judicially approved settlement within the meaning of N.J.S.A. 58:10-23.11f.a.(2)(b) and 42 U.S.C. § 9613(f)(2) for the purpose of providing contribution protection to the Settling Defendants from contribution actions related to the causes of action pled in the Complaint. The Parties agree, and by entering this Consent Decree this Court finds, the Settling Defendants are entitled, upon fully satisfying their obligations under this Consent Decree, to protection from contribution actions or claims for matters addressed in the Complaint and this Consent Decree.

19. In order for the Settling Defendants to obtain protection under N.J.S.A. 58:10-23.11f.a.(2)(b) from contribution actions or claims for matters addressed in the Complaint and this Consent Decree, the Plaintiffs published a copy of the draft Consent Decree on Plaintiffs' website and published notice of this Consent Decree in the New Jersey Register, and arranged for notice, as described in the following paragraph, to other parties in this case and to the other potentially responsible parties in accordance with N.J.S.A. 58:10-23.11e2. Such notice included the following information:

a. the caption of this case;

b. the name of the Settling Defendants;

c. a summary of the terms of this Consent Decree; and

d. that a copy of the draft Consent Decree is available on the Plaintiffs' website.

20. In fulfillment of N.J.S.A. 58:10-23.11e2, the Parties have provided written notice of this Consent Decree to all other parties in the case and to other potentially responsible parties by:

a. sending a letter to liaison defense counsel and serving a copy of such letter on counsel of record in the above captioned litigation via LexisNexis File and Serve; and

b. publishing notice in the following newspapers:

This notice is deemed compliant with the notice requirement of N.J.S.A. 58:10-23.11e2.

21. The Plaintiffs will submit this Consent Decree to the Court for entry pursuant to Paragraph 35 below unless, as a result of the notice of this Consent Decree pursuant to Paragraphs 19 and 20 above, the Plaintiffs receive information that discloses facts or considerations that indicate to Plaintiffs, in their sole discretion, that the Consent Decree is inappropriate, improper or inadequate.

22. In any subsequent administrative or judicial proceeding initiated by the Plaintiffs for injunctive relief, recovery of costs, and/or damages, or other appropriate relief not alleged in the Complaint, the Settling Defendants shall not assert, and may not maintain, any defense or claim based upon the principles of the entire controversy doctrine; provided, however, that nothing in this Paragraph affects the enforceability of this Consent Decree.

#### XI. GENERAL PROVISIONS

23. Nothing in this Consent Decree shall be deemed to constitute preauthorization of a claim against the Spill Fund within the meaning of N.J.S.A. 58:10-23.11k. or N.J.A.C. 7:1J.

24. The Plaintiffs enter into this Consent Decree pursuant to the police powers of the State of New Jersey for the enforcement of the laws of the State and the protection of the public health and safety and the environment. All obligations

26. This Consent Decree shall be governed and interpreted under the laws of the State of New Jersey.

27. If any provision of this Consent Decree or the application thereof to any person or circumstance, to any extent, be invalid or unenforceable, the remainder of this Consent Decree or the application of such provision to persons or circumstances other than those as to which it is held invalid or unenforceable, shall not be affected thereby and each provision of this Consent Decree shall be valid and enforced to the fullest extent permitted by law.

#### XII. EFFECTIVE DATE

28. The effective date of this Consent Decree shall be the date upon which this Consent Decree is entered by the Court.

#### XIII. RETENTION OF JURISDICTION

29. This Court retains jurisdiction over both the subject matter of this Consent Decree and the Parties for the duration of the performance of the terms and provisions of this Consent Decree for the purpose of enabling any of the Parties to apply to the Court at any time for such further order, direction, and relief as may be necessary or appropriate for the construction or modification of this Consent Decree, or to effectuate or enforce compliance with its terms.

XIV. COOPERATION AND DOCUMENT RETENTION

30. The Settling Defendants agree to make current and former employees available for interviews and to testify at or prior to trial without the need to serve subpoenas so long as Plaintiffs pay the costs of such employees' travel for the purpose of providing testimony. The Settling Defendants further agree to provide documents in response to reasonable requests by Plaintiffs without requiring the use of a subpoena.

31. The Settling Defendants shall preserve so long as this case is pending in the S.D.N.Y., the United States District Court for the District of New Jersey, the state courts of New Jersey, or on appeal in the federal or state courts, all data and information, including technical records, potential evidentiary documentation and contractual documents, in the Settling Defendants' possession or in the possession of their

parent companies, subsidiary companies, successors, divisions, past and present officers, directors, employees, agents, accountants, contractors, or attorneys, which in any way concern the issues raised by the Complaint. However, Settling Defendants may discard back-up tapes that contain relevant information duplicated in other materials to be preserved pursuant to this Consent Decree.

XV. MODIFICATION

32. This Consent Decree may only be modified by written agreement between the Parties approved by the Court.

33. Nothing in this Consent Decree shall be deemed to alter the Court's power to enforce, supervise or approve modifications to this Consent Decree.

XVI. ENTRY OF THIS CONSENT DECREE

34. The Settling Defendants consent to the entry of this Consent Decree without further notice after the comment period specified in Paragraphs 19 and 20 above.

35. Upon conclusion of the Plaintiffs' review of any public comment received as a result of the notice described in Paragraphs 19 and 20 above, the Plaintiffs shall promptly submit this Consent Decree to the Court for entry.

36. If for any reason the Court should decline to approve this Consent Decree in the form presented, this agreement is voidable at the sole discretion of any Party and the terms of the agreement may not be used as evidence in any litigation among the Parties or third parties.

37. Within thirty days of the Plaintiffs' receipt of payment as set forth in Section V above, Plaintiffs shall request that the Court dismiss this action as to the Settling Defendants with prejudice pursuant to Fed. R. Civ. P. 41(a)(2).

39. This Consent Decree may be signed and dated in any number of counterparts, each of which shall be an original, and such counterparts shall together be one and the same Consent Decree.

40. Settling Defendants shall identify on the attached signature pages, the name, address and telephone number of an agent who is authorized to accept service of process by mail on their behalf with respect to all matters arising under or relating to this Consent Decree. The Settling Defendants agree

to accept service in this manner, and to waive the formal service requirements set forth in R. 4:4-4, including service of a summons.

41. The Parties to this Consent Decree agree that it was negotiated fairly between them at arms' length and that the final terms of this Consent Decree shall be deemed to have been jointly and equally drafted by them, and that the provisions of this Consent Decree therefore should not be construed against a Party to it on the grounds that the Party drafted or was more responsible for drafting the provision(s).
