

## Stormwater Management Rule Amendment Training Completion Listing

In accordance with Part IV.F.9 of the Tier A Municipal Stormwater General Permit and Part IV.F.8 of the Public Complex MS4 Permit, whenever the Stormwater Management rules at N.J.A.C. 7:8 (the "Rules") are amended and the Department determines that training is warranted, the permittee shall ensure that all individuals that have completed the Stormwater Management Design Review (SWMDR) course complete a mandatory Department provided training (referred to as a "Stormwater Management Rule Amendment Training"). Information regarding the Municipal Stormwater Regulation Program can be found at <https://dep.nj.gov/njpdcs-stormwater/municipal-stormwater-regulation-program/>.

The individuals named herein have satisfied the requirement to complete a Department provided Stormwater Management Rule Amendment Training no later than one year after the rule adoption. If an individual completed the Stormwater Management Rule Amendment Training multiple times, only the first attendance date is listed. This listing does not certify the ability of the individuals named herein to perform reviews for major development and redevelopment projects, nor does this listing imply the individuals named herein have satisfied the licensing requirements of the New Jersey State Board of Professional Engineers.
