TIPS

Adopt an
environmental
policy

Create a
sustainability
team

Set annual
environmental
goals

Provide
environmentally
preferable
products

Circulate an
emergency
checklist

Join the NJ
Sustainable
Business
Registry

Consolidated Packaging Group, located in Ridgefield Park, NJ, performs packaging audits for clients, to identify ways to reduce materials used in daily business operations. This service helps clients reduce their environmental footprint without compromising the durability, performance, and appearance of their products. Clients experience reductions in the cost of packaging, transportation and the amount of energy consumed in the manufacturing process, allowing them to achieve their sustainability goals.
