

List of Suggested Study Materials For New Jersey Regulatory Exam Modules

The lists of study materials on this page are for the New Jersey Regulatory Exam Modules which are offered through the National Ground Water Association's (NGWA) testing vendor, PSI.

To see a list of study materials for NGWA's technical exams, visit the following website:

<https://www.ngwa.org/advance-your-career/certification/contractor-certification/certification-exams>.

Study materials listed on this website will help with the technical exams, such as Water Systems General, Augering and Monitoring, and General Drilling.

NGWA also provides online courses which offer a broader understanding of various topics related to well drilling and water systems. These courses can be found here: <https://www.pathlms.com/ngwa>.
