Lead Service Line Notification and Compliance Certification Form

Please submit this form and a copy of the lead service line notification to NJDEP at watersupply@dep.nj.gov with the subject line “Notification and Compliance Certification Form PWSID XXXXXXXX.” If the notification was distributed in multiple languages other than English, please include a copy of the notification in each language it was provided.

PWSID:		Water System Name:	
---------------	--	---------------------------	--

Please check the appropriate box and provide information as indicated below.

If the water system does not have any known lead service lines, newly identified lead service lines, or unknown service lines and did not send any notification this year, check this box:

If the water system newly identified lead service lines this year, was notification sent within 30 days of the water system submitting its updated Lead Service Line inventory to NJDEP?

Yes No

Date of notification (if applicable)? 00/00/0000 _____

If the water system has previously identified lead service lines, was notification sent within 30 days of the water system submitting its updated Lead Service Line inventory to NJDEP?

Yes No

Date of notification (if applicable)? _____

If the water system has unknown service lines, was notification sent within 30 days of the water system submitting its updated Lead Service Line inventory to NJDEP?

Yes No

Date of notification (if applicable)? _____

By checking this box, the water system is certifying that it is in compliance with the Safe Drinking Water Act, N.J.S.A. 12A-40 through 47, and that they have complied with the consumer notification of lead service line materials as specified in 40 CFR 141.85(e)
