Revised February 1, 2024

These are the submission requirements for a monetary contribution to satisfy a mitigation obligation under N.J.A.C. 7:7A-11.

Applicants who meet the criteria N.J.A.C. 7:7A-11.16(e) shall provide two copies of the following information:

1. Approval from the Department of Environmental Protection to mitigate through a monetary contribution in accordance with N.J.A.C. 7:7A-11.16(e);
2. A copy of the permit authorizing the wetland impact;
3. A letter from the applicant agreeing to make a monetary contribution to satisfy their obligation to mitigate for wetland losses associated with their permitted activity based on a rate of \$45,500 per acre of wetland disturbance for a single-family homeowner or \$360,000 per acre of wetland disturbance for all other property owners. Use the following equation to determine the amount of the monetary contribution: $(\$45,500 \text{ or } \$360,000) \times (\text{the acreage of permitted wetland disturbance}) = \text{the amount of the monetary contribution.}$

Proposal packages shall be submitted to:
