Regional Planning and Development  
1333 Atlantic Avenue  
Atlantic City, New Jersey 08401

Dear Mr. Brennan:

Re: Atlantic County Water Quality Management Plan Amendment

A plan amendment request for Hampton Inn was submitted for approval and adoption by the Department. This amendment is to expand the sewer service area in Galloway Township to include Block 891, Lots 3.01, 3.02, 4, 5, 6, and 9 excluding environmentally sensitive areas from the proposed development.

This amendment was given preliminary approval on November 14, 1986 and was noticed in the N.J. Register on December 15, 1986. Since we have received no significant comments on this amendment during the 30 day comment period, I am pleased to inform you that pursuant to the N.J. Water Quality Planning Act (N.J.S.A. 58:11A-1 et seq.), and the Water Quality Management Planning and Implementation Process Regulations (N.J.A.C. 7:15-3.4 et seq.), this amendment is now formally approved and adopted as of the date of this letter. Final notice of this adoption will be placed in the New Jersey Register.

Very truly yours,

  
George G. McCann, P.E.  
Acting Director
