

NOTES:

1. Parcels shown on this map as served by individual sub surface sewage disposal system (ISSDS), or septic system, are based on computer-assisted mass appraisal (CAMA) data acquired from the Somerset County Tax Administrator and made available through the Vital CAMA database distributed by Vital Communications, Inc.

2. This map is based on the Future Wastewater Service Area Dataset (March 2018) for Somerset County.

3. This map is for illustration purposes only, and is not suitable for site-specific, legal, regulatory and/or financial decision-making or commitments. Somerset County does not guarantee this information to be accurate, correct or complete and assumes no responsibility for errors,omissions, or misinterpretations,even if Somerset County is advised of the possibility of errors or omissions or the damages resulting there from.
