Adopted Amendment to the Ocean County Water Quality Management Plan

Public Notice

Take notice that on **July 27, 2021**, pursuant to the provisions of the New Jersey Water Quality Planning Act, N.J.S.A. 58:11-1 et seq., and the Water Quality Management Planning rules, N.J.A.C. 7:15, the New Jersey Department of Environmental Protection (Department) adopted an amendment to the Ocean County Water Quality Management (WQM) Plan. The amendment, identified as “Royale Property Subdivision” (Program Interest No. 435448, Activity No. AMD200006) expands the sewer service area (SSA) of the Ocean County Utilities Authority Northern Wastewater Pollution Control Facility (OCUA Northern WPCF) by approximately 5.5 acres (to include the entire lot) on Block 14101 Lot 18 (portion), within Jackson Township, Ocean County. The expansion of the SSA allows for the construction of a residential subdivision of five three-bedroom or larger single-family homes. The entire proposed development is for six single-family homes; however, one of the six proposed homes is located within the previously adopted SSA and is not the subject of this amendment. An existing home on the property will be demolished. The proposed project would generate a projected wastewater flow of 1,500 gallons

Preliminary notice was published in the New Jersey Register on February 16, 2021, at 53 N.J.R. 270(a). No comments were received during the comment period. This notice represents the Department's determination that the proposed amendment is compliant with the applicable regulatory criteria at N.J.A.C. 7:15, as described below.

In accordance with N.J.A.C. 7:15-3.5(g)6, the Department instructed the applicant to request written statements of consent from the Ocean County Utilities Authority, the Ocean County Board of County Commissioners, Jackson Township Municipal Utilities Authority (JTMUA) and Jackson Township. The Ocean County Utilities Authority stated in a letter dated February 16, 2021, that it would not take a formal position on the proposed amendment. The Ocean County Board of County Commissioners adopted Resolution 2021000673 on May 5, 2021, consenting to the proposed amendment. The JTMUA adopted Resolution #2021-035 on February 25, 2021, consenting to the proposed amendment. Jackson Township did not respond to the applicant's request for a statement of consent.

In accordance with N.J.A.C. 7:15-3.3(b), site specific amendments are limited to proposed alterations to the eligible SSA needed to address a specific project or activity. N.J.A.C. 7:15-3.5(j)2 requires that site specific amendments proposing to add 100 or more acres or generating 20,000

Pursuant to N.J.A.C. 7:15-4.4(h)1 and 2, the Department considered the land uses allowed in adopted zoning ordinances, future land uses shown in adopted municipal or county master plans, and other local land use objectives. Jackson Township's zoning officer issued an email dated June 30, 2020, stating that the proposed project is consistent with Jackson Township's zoning regulations and master plan. The Ocean County Planning Board issued a letter dated September 2, 2020, stating that the proposed project is consistent with the Ocean County Master Plan.

Sewer service is not guaranteed by adoption of this amendment since it represents only one part of the permit process and other issues may need to be addressed. Inclusion in the SSA as a result of the approval of this amendment does not eliminate the need to obtain all necessary permits, approvals or certifications required by any Federal, State, county or municipal review agency with jurisdiction over this project/activity.
