OFFICE OF LAND AND WATER PLANNING

REVISION TO THE UPPER RARITAN WATER QUALITY MANAGEMENT PLAN

TAKE NOTICE that on **MAR 22 1994**, pursuant to the provisions of the Water Quality Planning Act, N.J.S.A. 58:11A-1 et seq., and the Statewide Water Quality Management Planning rules, N.J.A.C. 7:15-3.5, a revision to the Upper Raritan Water Quality Management Plan was adopted by the Department. This revision corrects sheet 1 of 2 of the Montgomery Township Wastewater Management Plan (WMP) to accurately show the limits of Block 34001, Lots 41, 42, 42.01, 42.02 and 49 (Yorkshire Woods subdivision). This site is clearly included in the sewer service area of the Montgomery Stage II sewage treatment plant based on the WMP narrative and the zoning map; however, the property had been incorrectly delineated on the sewer service area mapping.
