

NJPACT
Utilities & Climate Change
Stakeholder Session

DATE: SEPTEMBER 23, 2020

TIME: 2:00PM-4:00PM

PLATFORM: VIRTUAL TEAMS MEETING

- Overview
- Inundation & Flooding
- Critical Facilities & Infrastructure

Question 1	What tools do you currently use to assess the vulnerability of your investments?
Question 2	What challenges do you face when making necessary resiliency improvements?
Question 3	What steps have you taken to increase resiliency of your infrastructure considering the threats of climate change?
Question 4	When expanding existing operations or siting new facilities, how do you assess the potential vulnerability of the site to climate threats?
Question 5	Are there any regulatory hurdles that hinder your ability to make resiliency improvements?
Question 6	If regulatory hurdles exist, are there specific regulatory changes that NJDEP can make to facilitate resiliency improvements?

Closing: Open Forum

Please note: This meeting is being held by the New Jersey Department of Environmental Protection for general information purposes only and does not reflect any agency decision or action.
